The Hon'ble Kutti Krishnan Nair,
Fort St. George,
Madras.

Dear Sriman Kutti Krishnan Nair,

My warm greetings and good wishes to you. While at Madras I had requested you to give me a copy of the draft Bill regarding Mangalore Port Trust. I wanted to take it personally from you or from your office, but unfortunately I had to start in a hurry. Will you kindly excuse me.

May I request you to send me a copy at your earliest convenience? A copy has been received by the Port Officer for his remarks, but the same is not available to others interested. Being only a draft there may not be any objection for a copy being furnished to a member of the Assembly.

We are making strenuous efforts here to raise subscriptions for the loan which is floated. Tentatively I am glad to inform you that the Canara Banking Syndicate, Ltd., has applied for a sum of Rs.5 lakhs. I am persuading the Canara Banking Corporation, Ltd., to apply also for a sum of 5 lakhs. Two insurance companies are in all probability will subscribe for a lakh each. There are a few other banks who are also likely to subscribe. Small investors are also being persuaded to invest small sums atleast. If the same level of enthusiasm prevails in other Districts, I am confident that the loan will be over-subscribed.

Yours sincerely,
B. Vaikunta Baliga
